

GREENTM ZEBRA ADVENTURES

EARN YOUR STRIPES!

SCOTTSDALE / FORT MCDOWELL

Base of operations for Green Zebra Adventures is located a short drive from the heart of Scottsdale, in the Fort McDowell mountain preserve. During the scenic drive from your hotel to the Green Zebra Adventures, both drivers and passengers will be provided with a brief overview of the adventure that is about to unfold, including information about Tomcar's unmatched performance and safety features.

As the tour begins, drivers are guided down a fairly mild road to get a feel for the cars. After a couple of minutes, you'll be ready to cut loose and let the cars do the heavy lifting. Drivers and riders will both enjoy an off-road experience with plenty of varied terrain, including exciting climbs and daring descents – all easily and safely maneuver in a Tomcar. Enjoy the ride as you explore a portion of the 23,000 private acres of the pristine Sonoran desert at Fort McDowell. Don't worry, there will be plenty of breaks to catch your breath, relax and take memorable photos posing next to a giant saguaro cactus, the lush Verde River and possibly a real live road runner!! Our experienced guides will tell you all about the history and culture of the Fort McDowell Yavapai Nation along with interesting facts about the desert wildlife and plants. This will be one Adventure that you will never forget... To find out what happens next, book your tour today!!
